

ASX: ANX

30 OCTOBER 2020

RELISTING UPDATE

Anax Metals Limited (ASX: ANX) ("Anax" or "the Company", formerly called Aurora Minerals Limited) is pleased to announce that it has completed its capital raising of \$2.0 million (before costs) and today issued the shares offered in the Prospectus dated 18 September 2020 to successful applicants.

The Company is also pleased to announce the commencement of the earn-in with VentureX Resources Limited to acquire up to an 80% interest in the Whim Creek Copper-Zinc Project. Further details of the earn-in are set out in the Prospectus.

The Company is working with the ASX to finalise re-instatement of its securities to trading on the ASX and expects to confirm a re-instatement date shortly.

This announcement is authorised for release by Geoff Laing, Managing Director.
